Bowie's Imperial 3000 Hydro-Mulcher® is the choice for maximum production, efficiency, and dependability. Nothing compares to this *Bowie Imperial 3000* for the large seeding and mulching jobs. It has greater distance than competitive machines of this size. The **"Built Strong...Built to Last"** construction of this Hydro-Mulcher means it will be on the job year after year. The agitation is smooth and strong throughout the power range making for less fatigue on the equipment and operator. The custom engineering of the *Bowie Imperial 3000* can make this unit a perfect fit for your operation.
