Still Air

The *Bowie SG-50* is the intermediate workhorse of our manufactured Aero-Mulchers. This unit is powered by a 38 hp Kohler air cooled gas engine to give years of trouble-free service. The discharge gun has a full 360° horizontal rotation and the fan is dynamically balanced. The six (6) blade 23" fan will generate an airflow of 4500 CFM at a velocity in excess of 120 MPH. The feed tray is fully adjustable with a detachable extension. This unit comes as either a skid or trailer mounted.
